## E-Bow PLUS™ ELECTRONIC BOW

The E-Bow Plus™ is a hand-held electronic bow for guitar. The small battery powered unit replaces the pick in the right hand letting the guitarist mimic strings, horns and woodwinds each with unbelievable sensitivity. In addition you can produce many sounds that even a synthesizer cannot produce. **Now with additional harmonic effects!**

ITEM#	DESCRIPTION	PRICE
EBO-10	E-Bow Plus™ Electronic Guitar Bow	\$119.95B
